website www.okome58.com

*It's me!*

I graduated Yokohama **Junior Art College** ,Yokohama,Japan.  
I attained a licence to teach Junior high school art.

OKOME Spatial Creation Factory . Founder and President. 2005 to Present.  
Began my own design workshop which I preside over.  
My studio makes objects for designs display items.

My studio that is Window display, decoration of shop's interior,  
make the object,draw the picture etc...

I using everything material.

(paper/iron/wood/textile/cutting seat/ and more...)

My studio's people are spatial designer and artist.

We are designing indivisual space ,  
and we manufacture ourselves at my studio.

Until now, We worked to Brand show room,  
window of department store and shops , restaurant and more.

I am a manager of the company , art director, designer, and artist.  
Manage budgets, creative deliverables and my teams to lead all phases  
of nationwide and international campaigns. Representative clients include  
Tokyo gus , Diesel Japan, Nike Japan , Levi's Japan and more.
